

Volunteer Position Title: Seasonal Naturalist

Compensation:

This is a non-paid, volunteer position for anyone interested in gaining experience in this field, working towards a degree in environmental education, natural sciences, or biology; or for someone wanting to share their love and excitement of the outdoors with others.

Position Description:

Richfield Heritage Preserve is looking for a certified or seasoned, veteran naturalist interested in helping develop outdoor experiences for our park guests. Naturalists would lead hikes, outdoor programs, and activities.

Start Date: Flexible

Time Commitment:

Some weekends and evenings. Hours and days will vary This will be determined by the Naturalist and Park Director.

Supervision:

The Naturalist will report to the Park Director.

Desired Knowledge, Skills & Abilities:

The naturalist's primary responsibilities are to support the Park Director by:

- Leading Hikes & Programs on the flora and fauna of the Great Lakes region Teaching
- Public Speaking
- Writing & Program Development
- Administrative tasks related to said responsibilities
- Demonstrated organizational skills, verbal communication, problem-solving, and conflict management
- Drive Park vehicles for transportation as needed

Working Conditions:

As typical with this type of work, conditions vary with the environment, weather, and as other circumstances warrant.

To Apply:

Please submit your cover letter and resume to RHP Park Director at park-director@rjrd.org
